

Journal Papers and Conference Papers of Dr. Mahmoodreza Asnaashari

1. Mahmoodreza Asnaashri (2025) Investigation of the level of infection with bovine brucellosis by the milk ring test method in Mazandaran province during recent years presented at the 3rd International and 4th National Conference on Agriculture, Environment and Food Security
2. Mahmoodreza Asnaashri (2025) Serological prevalence of toxoplasmosis in livestock of Mazandaran province presented at the 3rd International and 4th National Conference on Agriculture, Environment and Food Security
3. Mahmoodreza Asnaashri (2025) Investigation of the level of infection with hydatid cyst in livestock of northern Iran presented at the 3rd International and 4th National Conference on Agriculture, Environment and Food Security
4. Mahmoodreza Asnaashri (2025) Assessment of fascioliasis in livestock of Mazandaran province presented at Development of Agriculture, Animal and Food Technology with Approach of improving Food Quality, Safety and Assurance
5. Mahmoodreza Asnaashri (2025) Assessment of the prevalence of brucellosis in dairy cows of northern Iran in 1403 presented at Development of Agriculture, Animal and Food Technology with Approach of improving Food Quality, Safety and Assurance
6. Mahmoodreza Asnaashri (2019) Epidemiology of Bovine Brucellosis in Dairy Cattle in Northern Iran Presented at the 7th National Conference on Applied Research in Healthy Food Sciences from Farm to Table
7. Mahmoodreza Asnaashri (2019) Sero-Prevalence of Toxoplasmosis in Herbivorous Livestock in Northern Iran Presented at the 7th National Conference on Applied Research in Healthy Food Sciences from Farm to Table
8. Mahmoodreza Asnaashri (2018) Study of Sarcocystis Infection in Sheep by Different Methods in Mazandaran Province Presented at The 3rd National Conference on Biology at Payam Noor University
9. Mahmoodreza Asnaashri (2018) Study of Infection with Brucella abortus bovis in Dairy Cows in Northern Iran Presented at The 3rd National Conference on Biology at Payam Noor University

10. Mahmoodreza Asnaashri (2018) Serological Study of *Toxoplasma gondii* Infection In sheep and cattle of northern Iran presented at The 3rd National Conference on Biology at Payam Noor University
11. Mahmoodreza Asnaashri (2011) A Study of the production and trade of foods with halal standards and the resulting economic prosperity in the food industry presented at the 1st National Food Security Seminar
12. Mahmoodreza Asnaashri (2011) A study of the prevalence of *Cysticercus bovis* infection and its resulting losses in reducing food security in slaughtered cows in Mazandaran province during 2007 and 2008 presented at the 1st National Food Security Seminar
13. Mahmoodreza Asnaashri (2011) A Study of the necessity of packaging products of animal origin in the security of the food industry presented at the 1st National Food Security Seminar
14. Mahmoodreza Asnaashri (2011) Applications of nanotechnology in packaging and food safety presented at the 1st National Food Security Seminar
15. Mahmoodreza Asnaashri (2011) Assessment of the necessity of planning in the challenge of milk supply and Dairy products of the community as a fundamental element of food security presented at the 1st National Food Security Seminar
16. Mahmoodreza Asnaashri (2011) Slaughterhouse study of the prevalence of *Cysticercus* infection in sheep and goat carcasses slaughtered in Mazandaran province slaughterhouses during 2007 and 2008 and their role in food security presented at the 1st National Food Security Seminar
17. Mahmoodreza Asnaashri (2011) Study of the prevalence of *Sarcocystis* infection in slaughtered cattle carcasses in Mazandaran province slaughterhouses and its role in food security presented at the 1st National Food Security Seminar
18. Mahmoodreza Asnaashri (2009) Slaughterhouse study of hydatid cysts in sheep of Mazandaran province in 2008 presented at the 16th Iranian Veterinary Congress
19. Mahmoodreza Asnaashri (2009) Study of the prevalence of *Dicrocoelium* infection in the liver Slaughtered Ruminants in Mazandaran Province in 2008 Presented at the 16th Iranian Veterinary Congress

20. Asnaashari, Mahmoodreza (2011) Assessment of sarcocystis infection in slaughtered cattle in north of Iran, 1st International congress of large animal practitioners, february 23-24 2011, Tehran, Iran. P: 48
21. Asnaashari, Mahmoodreza (2011) Prevalence of Fasciola Hepatica in Slaughtered cattle in Mazandaran Slaughterhouses in north of Iran, 1st International congress of large animal practitioners, february 23-24, Tehran, Iran. P: 49
22. Asnaashari, Mahmoodreza (2011). Prevalence of hydatid cyst in slaughtered cattle in north of Iran, 1st International congress of large animal practitioners, february 23-24, Tehran, Iran. P: 47
23. Asnaashari, Mahmoodreza (2011). Prevalence of tuberculosis in Slaughtered Cattle in north of Iran, 1st International congress of large animal practitioners, february 23-24 2011, Tehran, Iran. P :49
24. Asnaashari, Mahmoodreza (2011). Study of sarcocystosis in slaughtered sheep in north of Iran using different methods, 2nd International Congress of Food Hygiene, 30 April - 1 may, Tehran, Iran.
25. Asnaashari, Mahmoodreza (2011) Prevalence of bovine cysticercosis at Mazandaran province slaughterhouses in North of Iran, 2nd International Congress of Food Hygiene. 30 April-1 may, Tehran, Iran.
26. Asnaashari, Mahmoodreza (2011). Study on prevalence of Dicrocoelium dendriticum in animals slaughtered in north of Iran, 2nd International Congress of Food Hygiene, 30 April - 1 may, Tehran, Iran.
27. Asnaashari, Mahmoodreza (2025) Evaluation of Brucellosis Prevalence in Dairy Cows in Northern Iran in 1403". First National Conference on Development in Agriculture, Animal Sciences and Food Industries with an Approach to Food Promotion, Quality, Health and Safety - Islamic Azad University, Isfahan Branch, Khorasgan.
28. Asnaashari, Mahmoodreza (2025) Evaluation of Fascioliasis in Livestock of Mazandaran Province". First National Conference on Development in Agriculture, Animal Sciences and Food Industries with an Approach to Food Promotion, Quality, Health and Safety - Islamic Azad University, Isfahan Branch, Khorasgan

29. Asnaashari, Mahmoodreza (2025) Evaluation of Liver Fluke Infection in Cattle, Sheep and Goats Slaughtered in Mazandaran, Iran". Fourth Iranian Congress of Pathobiology - Islamic Azad University, Garmsar Branch
30. Asnaashari, Mahmoodreza (2025) Evaluation of Sarcocyst Infection in Cattle Slaughtered in Northern Iran". 4th Iranian Pathobiology Congress - Islamic Azad University, Garmsar Branch
31. Asnaashari, Mahmoodreza (2021) Study of the incidence of Malt Fever in cattle in northern Iran, First National Conference on Agriculture and Production Mutation, Payame Noor University, Hamadan
32. Asnaashari, Mahmoodreza (2021) Study of the incidence of liver fluke infection in small ruminants in northern Iran, First National Conference on Agriculture and Production Mutation, Payame Noor University, Hamadan
33. Asnaashari, Mahmoodreza (2016). Prevalence of Bovine Brucellosis by MRT in dairy cattle of industrial and non-industrial herds, Northern Iran. 3rd International Congress of Agricultural Sciences, Food and Environment, July 21, 2016, Iran, Tehran, Shahid Beheshti University.
34. Asnaashari, Mahmoodreza (2012). Evaluation of nutritional value and special components of eggs in human nutrition and health, 17th Iranian Veterinary Congress, Iranian Veterinary Society Publications, Tehran, May 29-30, page 86.
35. Asnaashari, Mahmoodreza (2012). Study of the prevalence of Fasciola hepatica infection in slaughter cattle in Mazandaran province in 2010, 17th Iranian Veterinary Congress, Iranian Veterinary Society Publications, Tehran, May 29-30, page 86.
36. Asnaashari, Mahmoodreza (2012). Study of the necessity of increasing the production of edible eggs and its role in food security, 17th Iranian Veterinary Congress, Iranian Veterinary Society Publications, Tehran, May 29-30, page 87.
37. Yousefi, Mohammad Reza; Esna Ashari, Mohammad Yousef; Asnaashari, Mahmoodreza; Esfandiari, Behzad (2012). Investigation of the prevalence of babesiosis in domestic animals with suspicious symptoms in Mazandaran province in 2010, 17th Iranian Veterinary Congress, Iranian Veterinary Society Publications, Tehran, May 29-31, page 88.

38. Asnaashari, Mahmoodreza (2012). A review of the structure of nanomedicines and their application in improving diseases, 17th Iranian Veterinary Congress, Iranian Veterinary Society Publications, Tehran, May 29-31, page 86.
39. Asnaashari, Mahmoodreza (2011). Study of the prevalence of infection with *Cysticercus ovis* and *Sarcocystis* in sheep and goat carcasses slaughtered in Mazandaran province slaughterhouses, 7th National Conference on Human-Animal Diseases, Yasuj University of Medical Sciences, 17-19 May.
40. Asnaashari, Mahmoodreza (2011). Study of the prevalence of infection with liver flukes in small ruminants in Mazandaran province slaughterhouses, 7th National Conference on Human-Animal Diseases, Yasuj University of Medical Sciences, 17-19 May.
41. Asnaashari, Mahmoodreza (2011). Study of the prevalence of infection with hydatid cysts in sheep, goats and slaughtered cattle in Mazandaran province, 7th National Conference on Human-Animal Diseases, Yasuj University of Medical Sciences, 17-19 May.
42. Asnaashari, Mahmoodreza (2011). Study of the prevalence of Cystic Cystitis *Cercus Bois* and *Sarcocystis* in slaughtered cattle in Mazandaran Province, Seventh National Conference on Human-Animal Diseases, Yasuj University of Medical Sciences, May 17-19.
43. Asnaashari, Mahmoodreza (2010). Study of the prevalence of bovine tuberculosis in slaughtered cattle in Mazandaran Province in 2007 and 2008, Proceedings of the First National Conference on Emerging and Newly Occurring Veterinary Diseases, Islamic Azad University, Babol Branch, October 6-7, 2010, pp. 258-263.
44. Asnaashari, Mahmoodreza (2010). Study of the prevalence of helminthic bronchitis caused by *Dictyoculus viviparus* in slaughtered cattle in Mazandaran province slaughterhouses in 2008, Proceedings of the First National Conference on Emerging and Newly Occurring Veterinary Diseases, Islamic Azad University, Babol Branch, October 6-7, 2008, pp. 356-360.
45. Asnaashari, Mahmoodreza (2008). Epidemiological study of hydatidosis in ruminants of Mazandaran province in 2008, Proceedings of the First National Conference on Emerging and Newly Occurring Veterinary Diseases, Islamic Azad University, Babol Branch, October 6-7, 2008, p. 292.

46. Asnaashari, Mahmoodreza (2008). Investigation of the prevalence of *Dictyocholus filariasis* infection in the lungs of sheep and goats slaughtered in Mazandaran province slaughterhouses in 2008, Proceedings of the First National Conference on Emerging and Newly Occurring Veterinary Diseases, Islamic Azad University, Babol Branch, October 6-7, 2008, pp. 293-296.
47. Asnaashari, Mahmoodreza (2008). Investigation and determination of the prevalence of bovine anthrax in Mazandaran province slaughterhouses in 2008, Proceedings of the First National Conference on Emerging and Newly Occurring Veterinary Diseases, Islamic Azad University, Babol Branch, October 6-7, 2008, pp. 361-365.
48. Asnaashari, Mahmoodreza (2008). A review of emerging and re-emerging viral diseases, Proceedings of the First National Conference on Emerging and Re-emerging Veterinary Diseases, Islamic Azad University, Babol Branch, October 6-7, 2010, pp. 366-376.
49. Asnaashari, Mahmoodreza (2010). Slaughterhouse survey of the prevalence of infection with *Dictioculus filariasis* in the lungs of sheep and goats in Mazandaran Province, Second National Conference on Veterinary Pathobiology, Islamic Azad University, Garmsar Branch, March 6-7, 2010, p. 118.
50. Asnaashari, Mahmoodreza (2010). Study of the prevalence of bovine tuberculosis in slaughtered cattle in Mazandaran province in 2007 and 2008, Second National Conference on Veterinary Pathobiology, Islamic Azad University, Garmsar Branch, March 6-7, 2008, page 168. (2009)
51. Asnaashari, Mahmoodreza (2009). Study of the prevalence of respiratory strongyloidiasis in slaughtered cattle in Mazandaran province slaughterhouses, Second National Conference on Veterinary Pathobiology, Islamic Azad University, Garmsar Branch, March 6-7, 2009, page 169. (2009)
52. Asnaashari, Mahmoodreza (2009). Study of the prevalence of hydatidosis infection in ruminants slaughtered in Mazandaran province slaughterhouses, Second National Conference on Veterinary Pathobiology, Islamic Azad University, Garmsar Branch, March 6-7, 2010, page 170. (2010)
53. Asnaashari, Mahmoodreza (2010). Study of the prevalence of sarcocyst infection in sheep and goat carcasses slaughtered in Mazandaran province slaughterhouses in 2007 and 2008,

Second National Conference on Veterinary Pathobiology, Islamic Azad University, Garmsar Branch, March 6-7, 2010, page 171. (2010)

54. Asnaashari, Mahmoodreza (2010) Study of the prevalence of fasciola infection in ruminants slaughtered in Mazandaran province slaughterhouses, Second National Conference on Veterinary Pathobiology, Islamic Azad University, Garmsar Branch, March 6-7, 2010, page
55. Asnaashari, Mahmoodreza (2011). Study on Infection Rate of Zoonotic Parasites Disease in Ruminants at Mazandaran Slaughterhouses in North of Iran, Iranian Journal of Public Health, Vol. 40, Supplementary Issue I, P: 78.
56. Asnaashari, Mahmoodreza (2009) The Caspian Horse or the Forgotten Horse of Noah's Ark, Abakhtar Scientific Research Journal, No. 17 and 18, Fall, pp. 125-134.
- 57.

Researches of Mahmoodreza Asnaashari

Research project to investigate the prevalence of brucellosis (malt fever) in cattle from some livestock farms in Mazandaran province and its role in human infection, Research project of Payame Noor University of Mazandaran Province, Spring 2012. (Payame Noor University of Mazandaran Province, Sari) - 2012 - Persian. Project manager (2012)

Research project to investigate the prevalence of *Dicrocoelium dendriticum* infection in ruminants in Mazandaran Province in 2010, Research project of Payame Noor University of Mazandaran Province, Fall 2010. (Payame Noor University of Mazandaran Province, Sari) - 2010 - Persian. Project Manager (2012)

Research Project: Investigating the Prevalence of Fasciola Infection in Ruminants Slaughtered in Mazandaran Province Slaughterhouses in 2010, Research Project of Payame Noor University of Mazandaran Province, Fall 2010 (Payame Noor University of Mazandaran Province, Sari) - 2010 - Persian. Project Manager (2010)

Research Project: Investigating the Slaughterhouse Hydatid Cyst in Sheep of Mazandaran Province in Summer and Fall 2008, Research Project of Payame Noor University of Mazandaran, June 2009. (Payame Noor University of Mazandaran Province, Sari) - 2009 - Persian. Project Manager (2010)

Books

- 1- Asnaashari, Mahmoodreza (2008) Author of the book Applied Drugs in Veterinary Medicine (Noore elam Publications, Tehran, ISBN 3-34-2728-964-978.) - 2008 – Persian
- 2- Asnaashari, Mahmoodreza (2003) Thesis Title: Doctoral Thesis in Professional (General) Veterinary Medicine: Causes of Reduced Eggshell Strength and Damages Resulting from It (Islamic Azad University, Karaj Branch) - 2003 – Persian

Education

Doctor of Veterinary Medicine, Islamic Azad University of Karaj, 1996-2003

Career and professional background

- 1- Industrial work experience: Dr. Asnaashari Veterinary Pharmacy (Founder and Technical Manager) (2004-2007)
- 2- Industrial work experience: Livestock and bee insurer of the Agricultural Bank Insurance Fund of Mazandaran Province, Qaemshahr County (2004-2005)
- 3- Academic work experience: Faculty member of Payame Noor University (2007-present)
- 4- Academic work experience: Lecturer at Payame Noor University (2006-2007)
- 5- Academic work experience: Member of the Specialized Council for the Field of Animal Science Engineering at Payame Noor University of the Country (2011-2012)
- 6- Academic work experience: Head of Research Affairs at Payame Noor University, Pol Sefid Branch (2007-2013)
- 7- Academic work experience: Head of the Growth and Entrepreneurship Unit at Payame Noor University, Pol Sefid Branch (2007-2013)
- 8- Academic work experience: Research liaison between Payame Noor University, Pol Sefid Branch and Payam Noor University of Mazandaran Province (2013-2013)
- 9- Work experience Academic: Member of the Visiting Professor Recruitment Committee of Payame Noor University, Pol Sefid Branch (2010-2015)

- 10- Academic Experience: Member of the Working Group on "Growth Centers and Knowledge-Based Companies" of Payame Noor University (2018-2019)
- 11- Academic Experience: Deputy President of Payame Noor University, Pol Sefid Branch (2010-2010)
- 12- Academic Experience: Member of the Entrepreneurship Council of Payame Noor University, Mazandaran Province (2010-2010)
- 13- Academic Experience: Responsible for Research and Entrepreneurship Affairs of Payame Noor University, Pol Sefid Branch (2010-2013)
- 14- Academic Experience: Responsible for Quarantine Protection of Payame Noor University, Pol Sefid Branch Exams in Semester (3933) (2015)
- 15- Academic Experience: Member of the Preliminary Committee of Payame Noor University (2014-2015)
- 16- Academic Experience: Supervisor of Payame Noor University Exams (2014-2015)

Awards and honors

- 1- Best Professor of the Year 2025, Payame Noor University, Mazandaran Province (2025)
- 2- Top Researcher of Payame Noor University, Mazandaran Province (2012)
- 3- Second Best Researcher in Veterinary Medicine in Mazandaran Province in 2012, Mazandaran Provincial Research Office (2012)
- 4- Best Professor of Payame Noor University, Mazandaran Province (2011)
- 5- Top Researcher of Payame Noor University, Mazandaran Province in 2011, Certificate of Appreciation and Crystal Statue. (2011)
- 6- Selected as the Best Proposal, in the proposed system plan of Payame Noor University, Mazandaran Province in 2011, Certificate of Appreciation. (2011)
- 7- Winner of the best paper in the first national food security seminar with the article: Investigation of the level of contamination of slaughtered cattle carcasses with sarcocyst in Mazandaran province slaughterhouses and its role in food security in 2011. (2011)

- 8- Certificate of appreciation for presenting a paper in the first national conference on jurisprudence and modern issues of Payam Noor University in 2010 from the president of Payame Noor University of Mazandaran province, the scientific secretary of the conference and the executive secretary of the conference. (2010)

Workshops

- 1- Certificate in Scientific and Technical Workshop for 10 Hours, 2016. CINVU - Shahid Beheshti University. Tehran
- 2- Production and Processing of agricultural products organic, July 2016, European Certification Group. - Shahid Beheshti University. Tehran
- 3- Principles and Methods of water purification, 2016, European Certification Group - Shahid Beheshti University. Tehran
- 4- Growing familiarity with the scientific method and the proliferation of aquatic plants, 2016, European Certification Group - Shahid Beheshti University. Tehran
- 5- Mapping of Agricultural sciences and natural Resources, July 2016, European Certification Group. - Shahid Beheshti University. Tehran
- 6- Software COMFAR, July 2016, European Certification Group. - Shahid Beheshti University. Tehran
- 7- Economic evaluation plans. July 2016, European Certification Group. - Shahid Beheshti University. Tehran
- 8- Application software R and R studio, July 2016, European Certification Group. - Shahid Beheshti University. Tehran
- 9- Internationalen Congress auf Shahid Beheshti Universitat Der medizinischen Wissenschaften und Gesundheitsdienste, 2016- Tehran, Iran. TÜV SÜD Certificat. - Shahid Beheshti University. Tehran

- 10- The 3rd international conference and the 4th national conference focusing on agriculture, environment, and food security - Iran, Jiroft University (2025)
- 11- The political developments of the Persian Gulf in the contemporary history of Iran. A meeting of professors of Payame Noor University, Mazandaran Province - Payame Noor University (2026)
- 12- The 4th Iranian Pathobiology Congress - Islamic Azad University, Garmsar Branch (2025)
- 13- The First National Conference on Development in Agriculture, Animal Sciences and Food Industries with the Approach of Improving Food Quality, Health and Safety - Islamic Azad University, Isfahan Branch, Khorasgan (2025)
- 14- The Third International Conference and the Fourth National Conference on Agriculture, Environment and Food Safety - Jiroft University (2025)
- 15- A Study of the Role of Professors in the Cultural Engineering of the University. Payame Noor University of Mazandaran Province - Payame Noor University (2025)
- 16- Teaching the course titled "Using Animal Medicines", a virtual course for training farmers in the SHAK system, Agricultural Education and Extension Research Organization - Dr. Mahmoud Reza Ethnaashri, Mazandaran Agricultural and Natural Resources Research and Education Center (2021)
- 17- Teaching the course titled "Livestock Vaccination", a virtual course for training farmers in the SHAK system, Agricultural Education and Extension Research Organization - Dr. Mahmoud Reza Ethnaashri, Mazandaran Agricultural and Natural Resources Research and Education Center (2021)
- 18- Teaching the course titled "Prevention and Control of Common Human and Livestock Diseases", a virtual course for training farmers in the SHAK system, Agricultural Education and Extension Research Organization - Dr. Mahmoud Reza Ethnaashri, Mazandaran Agricultural and Natural Resources Research and Education Center (2021)
- 19- Special workshop for professors on the topic of "Promised in Religions with the Approach of Ghadir" for four hours on August 18, 2019 in Babolsar. - Babolsar. Payam Noor University (2019)

- 20- 7th National Conference on Applied Research in Agricultural Science, Healthy food from the Farm to the Table, January 15, 2020, Iran, Tehran, Shahid Beheshti University, 2020. - Tehran, Shahid Beheshti University
- 21- The Third National Biology Conference of Payame Noor University with a Focus on New Technologies in Industry and Economics, Payame Noor University, Iran, Sari, March 28-30, 2018. - Payame Noor University, Iran, Sari (2018)
- 22- Workshop for Professors on the topic of "Principles and Correct Ethics of Teaching Based on Islamic Teachings" on November 15 and December 26, 2016 for 4 hours at Payame Noor University, Ghaemshahr Branch. - Payame Noor University, Ghaemshahr Branch
- 23- 3rd International Congress of Agricultural Sciences, Food and Environment, July 21, 2016, Iran, Tehran, Shahid Beheshti University, 2016. - Tehran, Shahid Beheshti University
- 24- "Entrepreneurship Education" training workshop for 10 hours on September 11, 2012 at Payam Noor University, Babol Center. - Payam Noor University, Babol Center (2012)
- 25- "Entrepreneurship Process" training workshop for 10 hours on September 11, 2012 at Payam Noor University, Babol Center. - Payam Noor University, Babol Center (2012)
- 26- 17th Iranian Veterinary Congress, Iranian Veterinary Association, Tehran, May 2-3, 2012. - Iranian Veterinary Association, Tehran (2012)
- 27- "Entrepreneurship Fundamentals" training workshop for 10 hours on February 19, 2011 at Payam Noor University, Mahmoudabad Center. - Payam Noor University, Mahmoudabad Center (2012)
- 28- "Business Opportunities" training workshop for 10 hours on February 11, 2011 at Payam Noor University, Mahmoudabad Center. - Payam Noor University, Mahmoudabad Center (2011)
- 29- A 10-hour workshop on "University Entrepreneurship" on February 11, 2011 at Payam Noor University, Mahmoudabad Center. - Payam Noor University, Mahmoudabad Center (2011)
- 30- National Conference on "Strategies for Realizing Economic Jihad with an Attitude to Sacred Defense Patterns" on December 18, 2011 at Payam Noor University, Babol Center. - Payam Noor University, Babol Center (2011)

- 31- First National Seminar on Food Security, Islamic Azad University, Savad Kouh Branch, Savad Kouh, 18-20 May 2011. - Islamic Azad University, Savad Kouh Branch (2011)
- 32- Seventh National Conference on Common Diseases Between Humans and Animals, Yasuj University of Medical Sciences, Kohgiluyeh and Boyer Ahmad, Yasuj, 17-20 May 2011.
- 33- 1st International congress of large animal practitioners, february 23-24 2011, Tehran, Iran. - Iranian Veterinary Association. Iranian Veterinary System Organization. National Veterinary Organization. Tehran. Razi Conference Center (2011)
- 34- 2nd International Congress of Food Hygiene, 30 Aprill - 1 may, Tehran, Iran - Iranian Veterinary Association. Iranian Veterinary System Organization. National Veterinary Organization. Tehran. Razi Conference Center (2011)
- 35- 16th Iranian Veterinary Congress, Tehran, 7-9 Ordibehesht 1389. - Tehran. Razi Conference Center. Iranian Veterinary Association. Iranian Veterinary System Organization (2010)
- 36- The First National Conference on Emerging and Newly Occurring Veterinary Diseases, Islamic Azad University, Babol Branch, October 6-7, 2010. - Islamic Azad University, Babol Branch (2010)
- 37- The Second National Conference on Veterinary Pathobiology, Islamic Azad University, Garmsar Branch, March 6-7, 2010. - Islamic Azad University, Garmsar Branch (2010)
- 38- The First Conference on Jurisprudence and Emerging Issues of Payam Noor University, Payam Noor University, Mazandaran Province, Sari, November 2010. - Payam Noor University, Mazandaran Province, Sari (2010)
- 39- A training workshop on "Introduction to Question Design Methods" for 10 hours on March 29, 2010 at Payam Noor University, Mazandaran Province. - Payam Noor University, Mazandaran Province (2009)
- 40- Workshop "Effective Teacher-Student Interaction with a Religious Approach" for 10 hours on March 10, 2009 at Payam Noor University, Mazandaran Province. - Payam Noor University, Mazandaran Province (2009)

- 41- Workshop "Methods for Achieving Calmness and Controlling Anxiety and Stress" for 4 hours on November 9, 2009 at Payam Noor University, Sari Center. - Payam Noor University, Sari Center (2009)
- 42- Educational workshop "Administrative Ethics from the Perspective of Islam" on November 9, 2009 at Payam Noor University, Mazandaran Province - Payam Noor University, Mazandaran Province (2009)
- 43- Educational workshop "Introduction to MATLAB Software, for 10 hours on August 20, 2008 at Payam Noor University, Babol Center - Payam Noor University, Babol Center (2009)
- 44- Educational workshop "Islamic Economics" for 6 hours on November 9, 2008 at the conference hall of the Mazandaran Cultural Complex by Payam Noor University. - Payam Noor University (2009)
- 45- Educational workshop "Research Processes in the University" for 6 hours on November 1, 2008 at the conference hall of the Mazandaran Electricity Cultural Complex by Payam Noor University. - Payam Noor University (2009)
- 46- Educational workshop "Principles of Entrepreneurship" for 6 hours on December 1, 2008 at the conference hall Central Organization of Payam Noor University of Mazandaran Province. - Payam Noor University of Mazandaran Province (2008)
- 47- Workshop on Advanced SEARCH Research Method on the Internet, December 13, 2007 at Payam Noor University of Mazandaran Province (Sari). - Payam Noor University of Mazandaran Province (Sari) (2007)
- 48- Workshop on "Data Analysis with SPSS Statistical Software, for 8 hours, March 10, 2007 at Payam Noor University of Mazandaran Province. - Payam Noor University of Mazandaran Province (2007)
- 49- Workshop on How to Write Scientific-Research Articles and ISI Specially for the Basic Sciences Department, March 19, 2007 at Payam Noor University of Mazandaran Province, Sari Center. - Payam Noor University of Mazandaran Province, Sari Center (2007)

Other

- 1- German language certificates A1, A2 and B1 from the Goethe Institute of the German Embassy. The only official German language reference
- 2- 14- Certificate of appreciation for academic activities in 2013 at Payame Noor University of Mazandaran Province from the President of Payame Noor University of Mazandaran Province.
- 3- 14- Certificate of appreciation at the ceremony commemorating Professor's Day at Payam Noor University of Mazandaran Province in 2013 from the President of Payam Noor University of Mazandaran Province.
- 4- Certificate of appreciation at the ceremony commemorating the position and dignity of a professor at Payam Noor University of Mazandaran Province in 2012 from the President of Payam Noor University of Mazandaran Province.
- 5- Certificate of appreciation at the ceremony commemorating Professor's Day at Payam Noor University of Mazandaran Province in 2011 from the President of Payam Noor University of Mazandaran Province.
- 6- Certificate of appreciation at the ceremony to celebrate the status and dignity of a professor at Payam Noor University of Mazandaran Province in 2010 from the president of Payam Noor University of Mazandaran Province
- 7- Certificate of appreciation at the ceremony to celebrate the status and dignity of a professor at Payam Noor University of Mazandaran Province in 2010 from the president of Payam Noor University of Mazandaran Province
- 8- Certificate of appreciation at the ceremony to celebrate the Professor's Day of Payam Noor University of Pol Sefid Branch in 2015 from the president of Payam Noor University of Pol Sefid.
- 9- Certificate of appreciation at the ceremony to celebrate the Professor's Day of Payam Noor University of Pol Sefid Branch in 2013 from the president of Payam Noor University of Pol Sefid.
